Laundry Person (teams of 19 people or more)	L	485
Cooks (Working less than 12 Hours per Day)	L	340
Cooks (Working 12 Hours per Day or more)	L	485
<b>Teams must give workers a ride home after dark.</b>		
Icoteas Caretaker	L	200
Extra Driver between La Ceiba and San Pedro	L	590
Whispering Hope Facilitator (for volunteer lunches at clinic)	L	500
Honduran Doctor or Dentist when not volunteering	L	1,150

**David Kelly** – All teams are required to hire David who is the CHHF Director of Honduran Operations and a Director on the CHHF Board. As such he is responsible for all Honduran facilities, equipment, and all employees for CHHF. David is the facilitator during the time he works for you in Honduras. His job is to transport your team to and from the airport and assist your team in any way including interpreting for no additional pay. If David is unavailable to drive your team to the San Pedro Sula airport for departure, you should pay the driver who makes this trip as noted above.

**Mario Miralda** – Mario is the CHHF La Ceiba Maintenance Manager and usually travels with teams to assist with their mission week. His job is to transport your team to and from the airport and to assist your team in any way including interpreting at no additional pay. If Mario is unavailable to drive your team to the San Pedro Sula airport for departure, you should pay the driver who makes this trip as noted above.

**Extra Driver Between La Ceiba and San Pedro** – If your team requires an extra driver between La Ceiba and San Pedro Sula, the team is to pay as noted above. If your team stops for a meal, you are to also feed the driver. No additional pay is required to pay for the driver's meals on the way home. It is included in this fee.

**Honduran Doctors and Dentists** - Teams should arrange this with the Team Coordinator. The salary shown above per work day is appropriate if the doctor does not volunteer his or her time.

**Remote Clinics** - When clinics are held in schools or churches in remote villages such as Piedra Blanca, Punta Piedra, etc., advance planning is necessary. Team Leaders should ensure that these details are on the team leader reservation form.

When going to remote clinics, teams will take the following additional staff:

- To all clinics - interpreters, lab tech, records clerks, doorman
- To Whispering Hope – only interpreters and lab tech. (Records clerks and crowd control will be volunteers.)

Volunteer admissions/records clerks and facilitators serve at Whispering Hope. They are not paid, but the team provides their lunch as shown above. (Give the money to facilitator Antonio Benavidez who buys groceries to be prepared at a house across the street.) Staff coming from Limón will eat the same lunch as the team.
