

November 1, 2020

Happy Holidays,

This year, more than any other in recent history, it just feels right to send holiday cards. Mailing a greeting is an act of love. Receiving one is a reminder of happy times and good memories. And as this year comes to a close, reminding people you are thinking of them and wishing them happy holidays is even more significant.

We want to offer you an *opportunity to share your commitment to the mission* with those you love. By donating today, **you can send your loved ones a greeting card showing your support of Carolina Honduras Health Foundation.** This gift from the heart will support telemedicine and provide food for hungry families in Honduras. It will also bring joy to your family and friends during a year where a connection is desperately needed.

Three original cards have been designed especially for you. Choose your card design (or multiple designs), the number of cards needed, and your donation amount. As soon as your donation is received, your cards will be shipped directly to you to distribute to your friends and family.

[Click here](#) TODAY or print and mail the bottom portion (front and back) of this flyer to ensure you have your cards in plenty of time for the holiday season.

We appreciate your continued commitment and support. Hundreds of people in Honduras look to you for hope. Your gift today will touch their hearts as this challenging year comes to a close.

*Thank you again. Blessings to you and yours during this holiday season!*

Christine Mitchell  
Executive Director

David Kelley  
Director of Honduran Operations
