

# Mission Team Report

Please complete the following and return to hookkp@gmail.com **within one week** of your mission. Remember that this team report is a part of the team leader responsibilities and this communication is absolutely vital for the administration of CHHF and is necessary for reports and newsletters.

**Summary of Clinic Locations and Statistics:** Describe below the medical patients seen at clinics:  
(Additional rows so that teams which split and do 2 clinics per day can list each one separately)

<u>Location of Clinic (List each location)</u>	<u># Patients</u>	<u># Prescriptions</u>
<b>Total</b>		

**Total Number of Cases of Malaria:** \_\_\_\_\_ (Claudia in the Lab will have this number.)

**If Dentist with Team, Total Number of Dental Patients:** \_\_\_\_\_

**If Glasses distributed, Total Number of Glasses:** \_\_\_\_\_

**Medical Referrals:** Total Number \_\_\_\_\_

Each day, as completed, please give these referrals to Gladis Aquiriano. Be sure the date of birth, contact information, and photos are included and that the information is legible.

**Description of Problems Encountered During Week:**

**Stories of Your Team Trip:** For promotion of our work in Honduras, please share two or three human interest stories of patients and their care and highlights of the mission trip. Include good quality digital photos along with names of team members and others in the stories. Please send these to Peggy Hook at hookkp@gmail.com
